Target Location	Takayama, Japan
Purpose of Project / Activity	Purpose: Revitalize the entire region and create the future of the city by connecting young people outside the city through various activities.
Target of Project / Activity	Target: Local people, young people, students, and tourists who can create a sustainable future for this communities.
Project / Activity Contents	Contents: Murahan is a 140-year-old building that has been renovated. Many people can use it for talking, cooking, and studying for free. This connects other communities. Some activities are introduced on SNS. The official site deals with multilingual language for foreign people. You can not only watch traditional architecture, but also use it. Local people held a roundtable discussion to let students know about the work in Takayama. One of the activities is Tumikasaneteiko (let's pile up your thought). This is an activity to weave your future by writing your dreams, hopes and comments.
