

Project ID	26
Focus / Field	Environment
Country / Region Implemented	Philippines
Name of Project / Activity	Green, Green, Green
Project / Activity URL (if any)	https://dbm.gov.ph/index.php/secretary-s-corner/press-releases/list-of-press-releases/1092-green-green-green-pushes-city-governments-to-build-better-open-spaces
Target Location	San Juan
Purpose of Project / Activity	Plaza Rehabilitation
Target of Project / Activity	Planting shade trees that will reduce the urban heat island effect and allow people to enjoy the place even on summer
Project / Activity Contents	<p>The planters will double as seating to be used during performances at the existing stage and for eating food from the on-site kiosks. Permeable, pedestrian-friendly pathways will link to establishments around the area.</p> <p>Located in one of the busiest areas in San Juan, the plaza is situated next to a medical center and a few meters away from an elementary school, a big commercial center, and the LRT-2 J. Ruiz Station, which has an average daily ridership of more than 6,000 (2014).</p>
