Project / Activity URL (if any)	https://www.davaolight.com/index.php/blog/2021/791-free-ride-on-the-best-bus
Target Location	Davao City
Purpose of Project / Activity	<ul style="list-style-type: none"> - To provide efficient, safer, convenient and environmentally sustainable transportation options for the riding public - To advocate “be green, be digital, and be kind” for the betterment of the community - To reduce harmful emissions, maximizing available new technologies, and encouraging inclusive benefits for all - To support the LGU's efforts to make Davao City a more sustainable and livable metropolis
Target of Project / Activity	All residents of Davao City
Project / Activity Contents	<p>The buses are fully electric thus, provide zero emission and are very environment-friendly. They are also air conditioned and provide a comfortable travel around the downtown areas of Davao City. These modern buses are Senior Citizen and PWD-friendly as these have ramps and wheelchair slots. This project is a partnership by and among Davao Light and Power Co., Inc., GET Philippines and the Local Government of Davao City, with support from Aboitiz Foundation, Inc. The BEST Bus project is an Aboitiz way of promoting a sustainable city by advancing business and communities.</p>
