

Project ID	60
Focus / Field	Others
Country / Region Implemented	Philippines
Name of Project / Activity	Green Skills Makes Green Jobs
Project / Activity URL (if any)	https://www.officialgazette.gov.ph/2016/04/29/republic-act-no-10771/
Target Location	Baguio, Philippines
Purpose of Project / Activity	(a) Promote sustainable development by affirming labor as the key social economic force; (b) Ensure complete protection for labor, whether domestic and international, organized and unorganized, and to promote full and productive employment and opportunity equality for all; and (c) Support the people's right to a balanced and healthy ecosystem that is in tune with nature's rhythm and harmony
Target of Project / Activity	All business enterprises in Baguio City
Project / Activity Contents	To identify necessary skills, develop training programs, and train and certify workers for jobs in a variety of industries that produce goods and services that benefit the environment, conserve natural resources for future generations, and ensure the country's sustainable development and transition to a green economy. Green jobs are those that contribute to the preservation or restoration of the environment's quality, whether in agriculture, industry, or the service sector. This includes, but is not limited to, jobs that contribute to the protection of ecosystems and biodiversity, the reduction of energy, materials, and water consumption through high-efficiency strategies, the decarbonization of the economy, and the minimization or elimination of all forms of waste and pollution.
